

Are you looking for the opportunity to develop your skills and offer truly holistic, patient-centred end of life care within a supportive, caring Nursing team?

Lawrence Home Nursing Team has an exciting opportunity for a Registered Nurse to fulfil the role of Nurse Coordinator within our dynamic and dedicated team. This post covers 3 days per week (24 hours per week, to be predominantly worked on weekdays).

About The Charity

Founded in 1999 in memory of the late Dr Martin Lawrence, The Lawrence Home Nursing Team provides excellent holistic care for end of life patients who wish to remain within their home environment. Based in Chipping Norton, the service is provided in the local area by a team of dedicated nurses who work in partnership with the patient, their family, carers and the Community Nursing Service.

About The Role

The Nurse Coordinator plays a vital role within the Lawrence Home Nursing Team. Acting as the central point of contact for end of life patients and their families, carers and the Primary Care Team, you will be involved throughout their palliative care journey and ensure that the patient is supported. Guided by the patients' needs and wishes, the Nursing team are able to offer truly holistic and tailored care that's right for the individual. No two days are the same making this an exciting and challenging role.

This role offers the opportunity to work within a highly regarded local charity alongside like-minded professionals; all of whom share a passion for delivering the highest possible standard of care to patients and their families.

The post holder will be required to:

- Be responsible for new patient referrals and undertaking assessments for those patients that meet The Lawrence Home Nursing Team criteria
- Act as a central contact point for the service and support the patient, their family and carers throughout their episode of care
- Coordinate, allocate and support The Lawrence Home Nursing Team Nurses, where necessary at the patient's home, seeking advice from the Registered Nurse Manager as needed
- To provide clinical leadership and be responsible for the overall management of patient caseload.
- To work autonomously within the limits of existing knowledge and skills, demonstrating sound judgement and being able to communicate in a sensitive manner along with an ability to work effectively within a multidisciplinary team.
- To offer end of life care and symptom control
- To offer 24 hour on-call assistance to support nursing staff
- To offer support to the patient's families and carers between 8am and 10pm.
- To be able to respond quickly to urgent On Call contacts, which may include travel to a patient's home.

This role allows for 8 working hours to be worked with some flexibility throughout the day. **Salary £21.77 p/hour (£42,450 FTE)**

Hours available:

24 hours a week with 24 hour on call. 3 days, to be worked predominantly mid-week, although some weekend cover will be required.

Working with The Lawrence Home Nursing Team as a valued member of staff you will receive:

- Excellent rate of pay
- 25 days holiday plus 8 bank holidays (pro-rata)
- Workplace pension
- Uniform provided
- Support with continuous professional development
- Eligibility to apply for a Blue Light Card

Additional information:

- Applicants must hold a current UK driving license and have access to a vehicle
- An enhanced disclosure and barring service check is required for this role.

The closing date for applications is 17th July 2022. Interviews will be held on the 19th and 20th July. For further information, contact Sam Duley, Operations Manager on 01608 641549 option 2.
